

CENTARA GRAND AT CENTRALWORLD

Dynasty follows in the footsteps of the legendary restaurant, opened in 1983 at the flagship's sister hotel, Centara Grand at Central Plaza Ladprao. The new restaurant showcases the subtle and elegant dishes of one of the great regional Chinese cuisines prepared by Master Cantonese Chef Kongsun Sae-Liang.

"Cantonese cuisine is all about subtlety and uncomplicated flavours. It is why the love for Cantonese around the world is an enduring one," says Chef Sae-Liang

Authentic Cantonese cuisine is served in a contemporary Asian design concept incorporating the contrasting elements of Fire & Water
