CENTARA GRAND BEACH RESORT PHUKET

Centara Grand Beach Resort Phuket takes its design theme from the gracious old Sino-Portuguese shophouses that are such a distinctive feature of Phuket Town, with elegant low-rise terraces placed around a water park and facing out over Karon Bay. Tucked into a green hillside at the secluded end of the bay, this is one of the few resorts at Karon Beach to be located on the oceanside of the beach road, and consequently with direct access to the sands.

LIVE IN STYLE

All 262 rooms, suites and villas are designed in Sino-Portuguese style and feature a furnished balcony or terrace with views across the beach to the ocean. Most of the guestrooms are suitable for at least two adults and two children, with the option of a king bed or, with family rooms, two double beds and a daybed. Half of all guestrooms have either an outdoor Jacuzzi or a private pool, making them an idyllic retreat for couples and honeymooners as well as being perfect for family use. All guests staying in rooms and suites have the option to upgrade to Club benefits.

All villas feature their own private swimming pool, and provide the option of one or two bedrooms, with oversized living areas, high ceilings and a choice of king or double beds. The villas provide a grand retreat for couples, families and for groups of friends travelling together complete with the choice of Club benefit, which includes use of the private lounge with its three complimentary servings per day.
