### DINE IN FINE STYLE

The resort offers many dining options, ranging from beach barbecues through to international cuisine, and Brazilian grilled foods served directly from the skewer in a lively atmosphere of Brazilian music and dance. COAST Beach Club & Bistro is the perfect place to enjoy the flavours of Mediterranean cuisine and fresh seafood with innovative cocktails crafted by our expert mixologists under starry-lit skies.

## FOOD FOR YOUR MOOD

**Palm Grove** serves international and Asian cuisines in a relaxed setting, while **Zico's Brazilian Grill & Bar** is one of the hottest spots in Chaweng. **COAST Beach Club & Bistro** offers the perfect mix of sophisticated flair and relaxed beach bar vibe. **Islander** is the perfect venue for cocktails and a nightcap with the smooth tunes of our house band. Snacks and refreshments are also served at **Piccolo** and **Zing**. For those who cannot bear to leave the water, light bites and thirst quenching drinks are served poolside at **Dip & Sip**.

## A SUBLIME SPA

The spa is housed in a lotus garden next to the ocean, and has 10 multi-sensory treatment suites and a herbal steam room. A specialisation is chromotherapy, in which light is used in the form of colour to balance the body's energy levels.

The signature treatment is based on Samui's coconuts, the coconut having been used for centuries in Thailand for its healing and moisturising qualities. Organic coconut flesh, coconut milk, and plant oils infused with sesame are used to cleanse and re-hydrate the body prior to a massage using a special blend of coconut shea butter.

### A MEMORABLE EVENT

The resort is one of the prime conference and meeting venues on the island, with the Chaweng Hall able to seat 160 diners for a banquet or hold 200 guests for a reception, fully backed with multimedia technology and experienced planning teams. The resort's extensive grounds provide a perfect setting for staging an outdoor function and wedding, either in the garden or on the beach.

Koh Samui is one of the world's most beautiful island destinations, with everything that can be desired. Your perfect base to explore and enjoy this tropical paradise is Centara Grand Beach Resort Samui.

There is something for everyone, ranging from water sports and beach games through to tennis, Thai cooking classes, luxurious spa treatments, fully-equipped fitness centre, and Kids' Club with Camp Safari for the young ones and E-Zone for the teens.
